EXPERIENCE

House Productions — *Producer / Editor*

OCTOBER 2009 - Present

Led creative projects as a founder, specializing in storytelling, visual content, and documentary filmmaking. Oversaw projects from concept to completion, collaborating with clients and stakeholders to craft compelling narratives using scripting and story development, resulting in enhanced audience engagement.

Lone Wolf Media — *Post-Production Director / Online Editor*

APRIL 2014 - MARCH 2025

Led post-production operations, optimizing workflows, technology, and team coordination to enhance efficiency and ensure high-quality network deliverables. Streamlined media management, editing, and color grading workflows while maintaining broadcast-standard quality control. Oversaw technology infrastructure and collaborated with editors, producers, and writers to drive productivity and performance.

MTG Goldfish — *Producer / Editor*

JANUARY 2016 - April 2020

Developed collaborative relationships with industry talent, produced engaging programming, and optimized creative workflows to enhance content quality and efficiency. Led staff training initiatives and strategic content development, contributing to a 200% audience growth.

SRC-TV — *Media Specialist*

AUGUST 2006 - APRIL 2014

As part of a two-person leadership team, I managed media operations and community programming for a public access television station serving 5 town districts and 2 school districts. I orchestrated live broadcasts, training, and educational content, and implemented live streaming and digital workflows in 2006, connecting multiple communities with minimal resources and improving accessibility.
